

CIT Letter 10/24/24

Dear Friends,

Here are the LATEST and most URGENT matters that we see on the horizon.

PRAY (as you read this)

1. Our Southeastern States have been hit very hard by these last two hurricane's (Helene and Milton). So many people have lost just about every earthly possession as well as loved ones.

Therefore Pray -

A) that the demonstration of love poured out by these saints (by those working with churches & organizations like Samaritan's Purse) will comfort many as they feel the tangible love of Christ, that many would draw closer to the Lord Jesus, and that those who do not know Christ would come to a saving knowledge of Him;

B) for the ongoing work of these righteous saints as they tear down and rebuild. Pray for their health, safety, and strength as they work in difficult circumstances.

2. This is 'Election Season' and as believers we are called to Pray and Act in such a way that what happens might result in this nation being blessed by the godly and that the godly will be blessed by the nation.

Pray for the fulfillment of these Scriptures-

Proverbs 29:2

"When the righteous increase, the people rejoice, But when a wicked man rules, people groan." Lord, raise up leaders who will stand for justice and for what is correct in YOUR eyes and not the eyes of evil men/women.

Deuteronomy 16:18

"You shall appoint for yourself judges and officers in all your towns which the Lord your God is giving you, according to your tribes, and they shall judge the people with righteous judgement." Lord, help us to choose judges/leaders that have good judgement and will make good decisions that will guide this nation in ways that please and honor You.

ACTION

1. SUPPORT - Please consider making a donation to help those affected by these hurricanes. The rebuilding will most likely take years, and therefore consider making a monthly contribution. Our favorite organization that we have seen have the greatest impact in just about any crisis with most of the funds going to the victims is Samaritan's Purse.

2. SUPPORT and VOTING GUIDE -

-We understand that some Christians have issues with the personality of some candidates claiming that they are not the model that we would like to see in positions of leadership. I challenge you to justify yourself in allowing even worse candidates that not only are poor models but that will drive our nation, states, and communities into further obscenities such as abortion (even to full term), child mutilation of sexual organs (transgender operations), loss of freedoms of speech and religion, men in women's bathrooms and sports (loss of women's rights), open borders allowing human trafficking and terrorists into this country, not to mention the overspending of the government resulting in record high cost of living (inflation).

-A wise professor in the 1980's at Mountain View College taught that one should always vote for the party and not the person because 90% + of the time the party policies will determine the direction of the person's actions.

-Even God chose to use Cyrus, a pagan, to support the Israelites and return them to their land. He also used Samson, a wayward believer, to judge the ungodly.

Therefore, the CIT has chosen to put its full support behind the Republican Party because we can not and will not support any of the policies and actions that have occurred in the first paragraph above which are supported by the Democrat Party. If you have not looked at a Party Platform comparison before, here is a link that will allow you to do so.

SUPPORT

The winning of the Senate for the Republican Party is crucial to being able to pass laws that will help turn the evil around in this country. We recommend that you give some amount to each of these candidates to help them in their tight campaigns.
