PRAYER

Please pray for the U.S. House of Representatives as threats to remove Speaker of the House Mike Johnson are being spewed. A house divided cannot stand. Pray also for wisdom and peace for Mike Johnson.

ACTION

As we continue to pray for Israel, let us also be moved to financially support a group that has helped and continues to help Israel in this difficult time. Here are a few groups that we believe are worthy of our financial backing.

Jews for Jesus - this is a very grass-roots organization that is totally run by Jewish believers and has many Jewish missionaries reaching out to their own people as well as providing for the physical needs of many Jews. The Donate button is top right of home page.

The International Fellowship of Christians and Jews has done an outstanding job of reaching out to the war-torn areas with food, supplies and even bullet-proof vests for first responders.

Samaritan's Purse - This group, founded by Franklin Graham (Billy Graham's son), responds to disasters in America and around the world. In response to the October 7 massacre of many Jews, Samaritan's Purse brought much needed food, supplies, and counselors to Israel immediately after the attack. They also purchased 11 armored ambulances to help protect their first responders.
