

Community Impact Team Letter - June 27, 2024

Praise

Oklahoma and Louisiana pass laws stating that the World Health Organization (WHO) has no authority over their states.

Prayer

With only a bit more than 4 months until the Federal & State elections, there is a growing need for personal reflection in prayer as to what you might do to help counter the growth of ungodliness in this nation. God uses people to move forward so that the “gates of hell will not stand.”

Action

Consider sitting down at dinner time or in your evening time and watching this highly informative and engaging interview by Debbie Georgatos on America Can We Talk with Brandon Burden (author of Daniel Nation). This is a show that all Christians should watch. [This interview is on rumble. If you can't open it then try the next link.](#)
