

Community Impact Team Letter - August 28, 2024

Dear Friends

Due to the crucial information that we have provided for your benefit and that of this country, we urge you to take the time to read and watch all the items below. We encourage you to pass this email on to friends and family.

From your Friendly,

Southgate Fellowship CIT

A **PRAISE** and yet we must **PRAY** - Praise God for exposing the evil that has infiltrated almost every aspect of this country. While Christians slept, this is how it happened. Sit down for 1 hour and be blown away. The chaos will all make sense now.

ACTION Item #2 - Now move your body to support what you believe. Working at polling places helps provide more eyes over our elections and thus helps to secure our elections. There are several positions needed during our elections which are paid. Clerk's pay is \$18.24/hr for training and work on election days. These are the folks who receive voter's ID and give voters a ballot. Students who are over the age of 16 may work as clerks but with parent and school approval. Judge's pay is \$20.22/hr for training and for work on election days. Judges run the voting locations and problem solve voters with verification issues and any unexpected issues that might arise.

Action Item #3 - Go see an excellent movie and tell all your friends & family about it. It is awesome when seen at the theater, but Reagan only shows for one week. You may have guessed - It is about the life of Ronald Reagan. Let's support good movies so they can make more of them.
