

5 Movie Updates - CIT letter 9/23/24

Dear Friends, we are encouraging folks to affect our world by supporting good movies so that these film makers can afford to produce more like them. Therefore, here are 2 more FANTASTIC movies we are recommending.

- **God's Not Dead: In God We Trust** - This film has Mike Huckabee in the cast, so obviously he endorses it. It is showing now up to October 2. The closest location to Southgate is Grande Prairie Premiere Lux Cine 10 (near Carrier & I-20). This is an eye opener into the corruption that is embedded into our government.

Next is a documentary on Donald Trump's political life called **Vindicating Trump**. It begins showing in Mansfield, Thursday, Sept. 26 through October 3. Be sure to see this early because it is supposed to fill up. But if it does well, it may show longer.

Also, in the previous CIT letter we recommended a few movies. A few members of CIT have seen all of them and they are great. They have done so well at the box office that theaters have extended their showing dates through this Thursday, Sept. 26th. The trailers and closest showing locations to Southgate are given below.

The Forge is showing through Wednesday, September 25 at Cinemark in Cedar Hill. Tuesday all day is \$5 each.
